# Una scelta ecologica The green choice

## Italeri per l'ambiente

Dal 2023 Italeri introduce una grande novità. Il catalogo completo 2023 con le immagini di tutti i nostri prodotti, oltre 650 articoli divisi nelle varie aree di interesse modellistico, sarà realizzato esclusivamente in formato "digitale" e scaricabile comodamente da [www.italeri.com](http://www.italeri.com) o da nostri social media channels. Una scelta "paperless" a sostegno dell'ambiente che sottolinea la sensibilità ecologica della nostra azienda a ridurre la produzione e lo spreco di carta. Nel catalogo potete trovare le linee di prodotto complete e le novità previste per il 2023.

Per ridurre l'impatto ambientale abbiamo quindi realizzato nel tradizionale formato cartaceo una versione "compact" a minore impatto ambientale con un focus sui prodotti più importanti del 2022 e le principali novità del 2023 attraverso un taglio storico-modellistico.

## Italeri for the environment

*From 2023 Italeri brings more great news ! The complete 2023 catalogue with images of all our products, covering 650 items divided into the various areas of scale modelling interest, will be created exclusively in "digital" format and is easily downloadable from our website [www.italeri.com](http://www.italeri.com) or via our social media channels. We now offer a "paperless" catalogue choice which supports the environment and underlines the ecological sensitivity of our company in helping to reduce paper usage. In the full catalogue you can find the complete product lines and our new products planned for 2023. To further reduce environmental impact, we have also created a "compact" version in the traditional paper format which focusses on the more important products of 2022, and also introduces the main news of 2023 courtesy of a historical-modelling cut.*

# Our two catalogues online

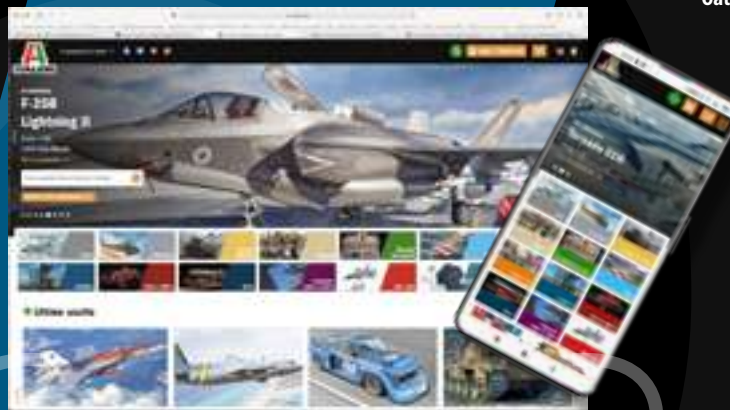

Il nuovo **Catalogo Compatto** sarà disponibile sul nostro sito web in una versione digitale interattiva che consentirà di visualizzare la scheda descrittiva del prodotto semplicemente cliccando sugli articoli elencati.

*The new **Compact Catalogue** will be available on our web site in a digital interactive version that will allow users to view the product page of each item just clicking on the listed items.*

[www.italeri.com](http://www.italeri.com)

Sul sito ufficiale di Italeri è disponibile anche il **Catalogo completo illustrato**. Sarà possibile sfogliarlo, scaricarlo o stamparlo

*Also find in Italeri official website the **Complete Illustrated Catalogue**. It will be possible to browse, download or print it.*
